Joyful Angel

by

Elkin Mira and Marisol Alzate

At the Saviour's birth the angels sang for joy. The "little angel" who appears in this picture is a member of *Cor Videns* - the Seeing-Heart Choir. This group of gifted young singers aims to give a voice to the hundreds of boys and girls who suffer from violence and poverty in the city of Medellín, Colombia, and who are helped by **Fundación ¡Vivan Los Niños!** with funds raised by the British charity **Let The Children Live!**
